

A group of diverse people in a modern office setting, some raising their hands, with the text "WELCOME TO PLATFORM" overlaid. The scene is bright and casual, with people engaged in conversation and work. A woman in the center is shouting with excitement, and a man in the foreground is also raising his hand. A laptop is visible on a table in the foreground.

WELCOME TO PLATFORM

WE'RE AT THE FOREFRONT OF A GROWING MOVEMENT FOR A DIFFERENT WORKING LIFE

We're not advocating for more time off.
We're not preaching a work-life balance.
We have a different idea – and that's to make work wonderful.

ON AIR

THIS ISN'T LIKE WORKPLACES YOU KNEW BEFORE

Huge windows let the light stream in, an abundance of lush green plants purify the air and keep you connected to nature while you work.

Sleek, modernist interiors and a generous peppering of artwork, magazines and murals by local artists makes it a place for creativity.

IN THE KITCHEN, CAFÉ-BAR OR WORKSPACES, YOU'RE LIKELY TO MEET A FAMILIAR FACE OR TWO

There are so many opportunities for our members to get to know each other beyond sharing a space. Amongst the PLATF9RM team are some of the best connected people in Brighton, who have a talent for professional matchmaking.

They also curate and coordinate our monthly PLATF9RM events and socials, where you're sure to meet new friends and make business links that will see you confidently into the future.
